

Veterinary doctors who have lost their lives defending Ukraine

Strilets Dmytro

Our colleague, junior lieutenant, excellent veterinarian Dmytro Strelets (14.07.1993) was the commander of the 6th aeromobile battalion of the 2nd aeromobile company of the A 4350 military unit. Dmytro died during hostilities in the area of village of Bilohirka in the Kherson region.

Oliynyk Oleksiy

Our colleague, a doctor of veterinary medicine Oleksiy Oliynyk tragically died from the injuries while defending his native city of Kharkiv from Russian aggression. He was a specialist with "golden hands", a talented veterinary orthopedic surgeon a true patriot of Ukraine.

Kravchenko Ihor

Ihor Kravchenko was an excellent veterinarian, a specialist who was known by probably everyone in our community. On June 29, 2022, Ihor sacrificed his life for our country at the front, rescuing the wounded. His rescue team was hit by a tank shell.

Kindzerskyy Mykhailo

Our colleague Mykhailo Leonidovych Kindzerskyy died in Donetsk region while defending Ukraine. The hero was born in the village Mala Zelena. From the first days of the full-scale invasion of Russia, he was on the

Zhalo Mykhailo

Mykhailo Zhalo was born and grew up in Boryspil. He was very fond of animals, so he chose the profession of a veterinarian. He moved to Finland, where he lived and worked at his favorite job. But in February 2022 he immediately decided that he must return home to defend his native country. On July 7, 2022, Mykhailo died heroically in Kharkiv region.

Hibalyuk Yuriy

Yuriy tragically died while defending his native country from Russian aggression. He was a professional in his field, a true patriot of his land and defender of Ukraine.

Tyutyunnyk Taras

Taras Borysovych Tyutyunnyk, a veterinary doctor held the position of a veterinarian in the Lubensk City State Hospital of Veterinary Medicine since 2002, where he showed high professionalism. He died on August 9, 2022 while defending Ukraine from the Russian invaders.

Rogovyy Yuriy

Yuriy was from Chernihiv region, at one time he studied at the National Agrarian University at the Faculty of Veterinary Medicine. He died while defending Ukraine in the battle near Lysychansk.

The family of Kudrin Anton and Zapadynska Svitlana

Anton and Svetlana were a great family of veterinary doctors. They and their two kids were killed during Russia was shelling Kyiv. Only Sophia, the third kid, survived.

UKRAINIAN
SOCIETY OF
VETERINARY
DERMATOLOGY

Thank you dear colleagues for the incredible support of veterinarians of Ukraine! We appreciate your unified stance in supporting Ukraine. We greatly value your strong position and decision to cut possible funding of Russian war against Ukraine. We want you to know the faces of veterinarians who, like you, treated animals six months ago, and now are defending our land! They are our friends, and we know these people personally! With your help and support, we will bring victory, peace and prosperity not only to Ukraine but to all European family.
